

SPONSOR

PARTNER WITH SHFT

SHFT ROBOTICS is a new Ontario FRC team in our first competition season. Your support puts real engineering tools in students' hands and your brand in front of the community. This is the working draft of our sponsorship package.

WHY SHFT

Reach

Events, socials, and a growing Ontario FRC audience see your brand on the robot, the pit, and the team.

Community

You back students gaining real engineering, fabrication, and software skills in your community.

Story

A clean, modern brand and real impact reporting you can show your own stakeholders.
